150 questions present in extraction_elements.md but not in extraction_elements_reduced.md. Matched on question text; IDs were renumbered between the two files.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
pay_salary_steps_003	compensation	How many salary steps are listed on the main teacher salary schedule?	numeric	Count the distinct steps, years, or cells from minimum to maximum on the primary teacher schedule.	step, years of experience, salary schedule, increment	likely frequent	If the schedule uses bands or performance levels instead of steps, code DU and describe the structure.
pay_salary_lanes_004	compensation	How many education lanes are listed on the main teacher salary schedule?	numeric	Count distinct education columns or lanes.	lane, class, BA, MA, Masters, doctorate, credits, semester hours	likely frequent	Count only teacher salary lanes, not separate schedules for counselors or librarians.
pay_lane_names_005	compensation	What are the names or credentials of the education lanes?	short text	Extract lane labels exactly, such as BA, BA+20, BA+40, MA, MA+30, PhD, National Board.	lane, bachelor's, master's, doctorate, credits, semester hours, classification	likely frequent	Preserve district terminology rather than normalizing too aggressively.
pay_ba_start_006	compensation	What is the starting salary for the BA or lowest teacher lane?	dollar amount	Extract Step 1 or minimum salary for BA or closest lowest lane.	BA, bachelor's, step 1, minimum, salary schedule	likely frequent	If no BA lane exists, use the lowest credential lane and note the label.
pay_ma_start_007	compensation	What is the starting salary for the MA or master's lane?	dollar amount	Extract Step 1 or minimum salary for MA or closest master's lane.	MA, master's, M.A., step 1, minimum	likely frequent	If there are several MA lanes, use the plain MA lane and note if absent.
pay_phd_start_008	compensation	What is the starting salary for the doctorate or PhD lane?	dollar amount	Extract Step 1 or minimum salary for doctorate lane.	doctorate, PhD, EdD, doctoral, step 1	occasional	Code ND if no doctorate lane appears.
pay_ba_max_009	compensation	What is the maximum salary for the BA or lowest teacher lane?	dollar amount	Extract maximum listed salary in the BA or lowest credential lane.	BA, bachelor's, max, maximum, last step	likely frequent	If cells include longevity add-ons, record base maximum and note add-on separately.
pay_ma_max_010	compensation	What is the maximum salary for the MA or master's lane?	dollar amount	Extract maximum listed salary in the plain MA lane.	MA, master's, max, maximum, last step	likely frequent	If no plain MA lane exists, use the nearest master's lane and note the label.
pay_phd_max_011	compensation	What is the maximum salary for the doctorate or PhD lane?	dollar amount	Extract maximum listed salary in the doctorate lane.	doctorate, PhD, max, maximum, last step	occasional	Code ND if no doctorate lane appears.
pay_overall_max_012	compensation	What is the highest salary listed anywhere on the main teacher salary schedule?	dollar amount	Extract highest annual salary and its step and lane.	salary schedule, maximum, last step, highest	likely frequent	Exclude administrator schedules and extra-duty stipends.
pay_ba_phd_gap_013	compensation	What is the dollar difference between Step 1 BA and Step 1 doctorate pay?	dollar amount	Extract or calculate doctorate Step 1 minus BA Step 1, noting both source values.	BA, doctorate, PhD, step 1	occasional	Calculate only when both values are present in the same schedule.
pay_new_hire_placement_017	compensation	Does the document state initial salary placement rules for newly hired teachers?	yes/no	Extract who decides placement, required documentation, and any exceptions.	new hire, initial placement, salary placement, employment contract	likely frequent	Code separately from prior-experience credit if both appear.
pay_pay_frequency_020	compensation	Does the document state teacher pay frequency or pay dates?	categorical	Extract monthly, semimonthly, biweekly, 10-month, 12-month, deferred pay, and pay dates.	pay dates, pay day, payroll, checks, deferred pay, direct deposit	occasional	Code only if stated in the PDF.
pay_coaching_stipends_022	compensation	Does the document specify coaching stipends?	yes/no	Extract sport or tier names, amounts or formulas, and eligibility.	coaching, coach, athletics, stipend, extra duty	likely frequent	If only a general extra-duty schedule exists but no coaching entries, code ND.
pay_activity_stipends_023	compensation	Does the document specify club, activity, or student organization sponsor stipends?	yes/no	Extract activity names, tiers, and amounts.	club sponsor, activity sponsor, student activities, extracurricular, stipend	likely frequent	Keep separate from athletic coaching.
pay_department_chair_024	compensation	Does the document specify compensation for department chairs, team leaders, or similar teacher leaders?	yes/no	Extract role names, amounts, formula, and selection rules if present.	department chair, team leader, grade chair, coordinator, lead teacher	occasional	Code the pay element here and selection rules under leadership if detailed.
pay_summer_school_025	compensation	Does the document specify pay for summer school, intersession, evening school, or extended school year?	dollar amount or short text	Extract hourly rate, daily rate, percent of salary, or schedule reference.	summer school, intersession, evening program, extended school year, ESY	likely frequent	Do not infer summer pay from base salary unless formula is stated.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
pay_extra_period_026	compensation	Does the document specify pay for teaching an additional period or extended instructional day?	dollar amount or short text	Extract amount, percent, hourly rate, and eligibility conditions.	extra period, additional period, extended day, overload, sixth period, seventh period	occasional	Separate from general extra-duty schedules when possible.
pay_class_coverage_027	compensation	Does the document specify pay for covering classes when substitutes are unavailable?	dollar amount or short text	Extract rate, prorating method, eligibility, and whether coverage is voluntary or required.	covering classes, class coverage, failed-to-fill, substitute, emergency coverage	occasional	Code ND if the document only says teachers may be assigned coverage but gives no pay.
pay_homebound_tutoring_028	compensation	Does the document specify pay for tutoring, homebound instruction, test-item writing, or similar hourly instructional work?	dollar amount or short text	Extract role, hourly rate, and conditions.	tutoring, homebound, hourly rate, test item, curriculum writing, tutorial	occasional	Keep this separate from summer school pay.
pay_pd_stipend_029	compensation	Does the document specify stipends or hourly pay for professional development outside normal duty time?	dollar amount or short text	Extract amount, daily/hourly rate, cap, and eligible activities.	staff development stipend, professional development pay, in-service pay, workshop	occasional	Do not count paid PD days already included in the work year unless extra pay is stated.
pay_recruitment_retention_030	compensation	Does the document include recruitment, retention, signing, hard-to-staff, or priority-school incentives?	yes/no	Extract amount, school or role eligibility, duration, and repayment conditions.	recruitment, retention, sign-on, incentive, hard-to-staff, priority school, high needs	occasional	Often appears in MOUs or appendices.
pay_national_board_031	compensation	Does the document provide extra pay for National Board certification or similar advanced certification?	dollar amount or short text	Extract amount, lane movement, stipend, or reimbursement.	National Board, NBCT, NBPTS, certification stipend	occasional	Code support for application fees under professional development if separate.
pay_longevity_032	compensation	Does the document provide longevity pay, career increments, or service-based stipends beyond the regular schedule?	yes/no	Extract years required, amount, and whether recurring or one-time.	longevity, career increment, service stipend, retention, years of service	occasional	Do not double-count normal salary steps as longevity.
pay_travel_mileage_033	compensation	Does the document specify mileage, travel, or required travel reimbursement?	dollar amount or short text	Extract mileage rate, reimbursable travel types, parking/tolls, and approval rules.	mileage, travel, reimbursement, per diem, parking, tolls	occasional	Code only employment-related travel, not commuting benefits.
pay_unused_leave_payout_034	compensation	Does the document provide payout, conversion, or terminal pay for unused sick or personal leave?	yes/no	Extract formula, eligibility, caps, timing, and retirement or separation conditions.	unused leave, sick leave payout, terminal pay, disposition of unused leave, buyback	likely frequent	If payout appears in leave article, still code here as compensation.
pay_retirement_incentive_035	compensation	Does the document provide an early retirement incentive or district retirement stipend?	yes/no	Extract amount, formula, eligibility years, application deadline, and benefit continuation.	retirement incentive, early retirement, district retirement benefit, retiree stipend	occasional	Distinguish pension participation from district-provided incentives.
pay_hardtostaff_schools_041	compensation	Does the document provide incentives specifically for teaching in hard-to-staff, high-need, Title I, or priority schools?	yes/no	Extract incentive name, amount, eligibility criteria, duration, and repayment conditions if stated.	hard-to-staff school, high-need school, Title I, priority school, incentive, recruitment bonus	occasional	Code separately from subject-specific hard-to-staff incentives. Often appears in MOUs or appendices.
pay_hardtostaff_sped_042	compensation	Does the document provide incentives specifically for special education teaching positions?	yes/no	Extract covered positions, certification required, amount, duration, and eligibility conditions.	special education, SPED, special ed, ESE, incentive, stipend, recruitment, hard-to-staff	occasional	Includes all special education roles covered by the bargaining unit.
pay_hardtostaff_stem_043	compensation	Does the document provide incentives specifically for STEM teaching positions (math, science, CTE, or technology)?	yes/no	Extract covered subjects, amount, eligibility, and duration.	STEM, math, science, CTE, technology, engineering, hard-to-staff, incentive, stipend	occasional	Code only if a specific subject-area incentive is stated, not a general school-level hard-to-staff bonus.
pay_hardtostaff_esl_044	compensation	Does the document provide incentives specifically for ESL, ELL, bilingual, or dual-language teaching positions?	yes/no	Extract covered certifications or roles, amount, eligibility, and duration.	ESL, ELL, bilingual, dual language, English language learner, language acquisition, incentive, stipend	occasional	Includes bilingual stipends and language-instruction differential pay.
pay_hardtostaff_other_045	compensation	Does the document provide hard-to-staff or recruitment incentives for any other specific subjects or roles not captured in fields 041–044?	short text	Extract subject or role name, amount, eligibility, and duration. Code ND if no such incentive exists.	hard-to-staff, incentive, stipend, recruitment, shortage, critical need, shortage area	rare	Use this field for any subject-specific incentive not covered by the four fields above.
pay_performance_individual_046	compensation	Does the document include individual teacher merit pay or evaluation-based compensation?	yes/no	Extract program name, eligibility, amount or formula, evaluation criteria used, and whether pay is recurring or one-time.	merit pay, individual merit, evaluation-based pay, performance pay, teacher effectiveness award	occasional	Do not count ordinary step increases as merit pay even if tied to satisfactory evaluation.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
pay_performance_scho olwide_047	compensation	Does the document include school-wide or team-based performance bonuses?	yes/no	Extract program name, eligibility, performance measure used, distribution method, and amount or formula. Note any unique implementation details.	school-wide bonus, school performance award, team bonus, building performance, collective incentive	rare	Describe how school performance is measured and how funds are distributed among eligible teachers if stated.
benefits_dental_cont ribution_007	benefits	What employer contribution toward dental insurance is stated?	dollar amount or percentage	Extract board/district contribution or premium share.	dental contribution, dental premium, district pays, board pays	occasional	Code ND if dental is available but contribution is not stated.
benefits_vision_cont ribution_009	benefits	What employer contribution toward vision insurance is stated?	dollar amount or percentage	Extract contribution or premium share.	vision contribution, optical contribution, premium, district pays	occasional	Code ND if vision is available but no contribution is stated.
benefits_life_amount _011	benefits	What life insurance coverage amount is stated?	dollar amount	Extract base coverage amount, salary multiple, or maximum.	life insurance, coverage, death benefit, salary multiple	occasional	If multiple options exist, record district-paid base amount and note voluntary options.
benefits_retirement_ plan_013	benefits	Does the document identify a retirement or pension plan for teachers?	yes/no	Extract plan name, such as TRS, state retirement system, pension, 403(b), or annuity.	retirement, pension, TRS, state retirement, 403(b), annuity	likely frequent	Distinguish mandatory pension from optional supplemental plans.
benefits_retirement_ contribution_014	benefits	What employer retirement or pension contribution is stated?	percentage or dollar amount	Extract contribution rate, match, or board-paid amount.	retirement contribution, pension contribution, employer contribution, match	occasional	Code ND if plan is named but contribution is not stated.
benefits_supplementa l_retirement_015	benefits	Does the document mention tax-sheltered annuities, 403(b), 457, or other supplemental retirement options?	yes/no	Extract plan type, vendor access, payroll deduction, and match if any.	tax-sheltered annuity, 403(b), 457, supplemental retirement, deferred compensation	occasional	Keep separate from mandatory pension.
benefits_section125_ 016	benefits	Does the document mention a cafeteria plan, Section 125 plan, or flexible spending account?	yes/no	Extract plan name and covered expenses if stated.	Section 125, cafeteria plan, flexible benefits, FSA, flexible spending	occasional	Often appears in benefits appendices or handbooks.
benefits_eap_wellnes s_017	benefits	Does the document mention an employee assistance, wellness, or mental health support program?	yes/no	Extract program name, services, eligibility, and cost if stated.	employee assistance, EAP, wellness, counseling, mental health	occasional	Do not count student counseling programs.
benefits_workers_com p_018	benefits	Does the document describe workers' compensation coverage for job-related injuries?	yes/no	Extract coverage statement, reporting requirements, pay supplementation, and contact office.	workers' compensation, work-related injury, line of duty, injury report	likely frequent	Related assault leave should also be coded under safety and leave.
benefits_eligibility_ threshold_019	benefits	What eligibility threshold is stated for benefits?	numeric or short text	Extract FTE, hours per week, contract length, or employee group eligibility.	eligible employees, half time, full time, FTE, hours per week, benefits eligibility	occasional	Note if part-time teachers receive prorated benefits.
benefits_leave_conti nuation_020	benefits	Does the document state whether insurance benefits continue during paid or unpaid leave?	yes/no	Extract leave types, duration, employee contribution, and cutoff rules.	benefits while on leave, insurance continuation, unpaid leave, FMLA, sabbatical	occasional	Code benefit continuation even if discussed in leave section.
benefits_retiree_021	benefits	Does the document provide retiree health, dental, life, or other post-employment benefits?	yes/no	Extract eligibility, duration, employer contribution, and plan access.	retiree benefits, retirement benefit, retiree health, post-retirement, early retirement	occasional	Distinguish retiree plan access from pension benefits.
leave_sick_bank_004	leave	Does the document provide a sick leave bank, catastrophic leave bank, or donated leave program?	yes/no	Extract eligibility, donation requirement, maximum days, and approval process.	sick leave bank, catastrophic leave, donated sick leave, leave sharing	occasional	Code only programs for employees, not student illness policies.
leave_medical_note_0 05	leave	Does the document require medical certification or a doctor's note for sick leave or return to work?	yes/no	Extract trigger, timing, required form, and consequences.	medical certification, doctor's note, physician statement, verification, return to work	likely frequent	Code ND if only generic abuse-of-leave language appears.
leave_sabbatical_015	leave	Does the document provide sabbatical leave?	yes/no	Extract eligibility years, paid percentage, duration, application deadline, and return obligation.	sabbatical, professional improvement leave, study leave	occasional	Code ND if only unpaid study leave exists.
leave_professional_0 16	leave	Does the document provide professional leave for conferences, training, association meetings, or educational activities?	yes/no	Extract days, approval rules, pay status, substitute cost, and eligible activities.	professional leave, conference leave, in-service, association leave, study leave	likely frequent	Separate union release time under union rights.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
leave_jury_witness_017	leave	Does the document provide jury duty or witness/court leave?	yes/no	Extract paid status, duration, fee remittance, and subpoena rules.	jury duty, witness leave, subpoena, court appearance	likely frequent	Distinguish personal legal matters from district-related court service.
leave_military_018	leave	Does the document provide military leave?	yes/no	Extract paid days, unpaid rights, training leave, salary supplement, and return rights.	military leave, armed services, National Guard, USERRA	likely frequent	Statutory restatement counts if stated.
leave_public_office_019	leave	Does the document provide leave for public office, civic service, or religious observance?	yes/no	Extract type, paid status, duration, and approval requirements.	public office, civic leave, religious leave, observance, political activity	occasional	Code only if employee leave is discussed.
leave_assault_injury_020	leave	Does the document provide paid assault leave or special injury leave for work-related assaults?	yes/no	Extract eligibility, duration, interaction with workers' compensation, and whether accrued leave is charged.	assault leave, teacher assault, personal injury, line of duty injury, workers' compensation	occasional	Also code assault protections under safety.
leave_without_pay_021	leave	Does the document allow unpaid leaves of absence?	yes/no	Extract reasons, maximum duration, eligibility, approval authority, and benefit effects.	leave without pay, unpaid leave, extended leave, personal leave without pay	likely frequent	Do not count FMLA alone unless unpaid leave rules are described.
leave_return_rights_022	leave	Does the document state return-to-position or reinstatement rights after leave?	yes/no	Extract whether teacher returns to same position, district position, seniority status, and deadlines.	return from leave, reinstatement, same position, reassignment, restoration	occasional	Code DU if rights are referenced but not specific.
workload_calendar_breakdown_002	workload	Does the document break the work year into instructional days, planning days, professional development days, holidays, or conference days?	yes/no	Extract day counts and categories.	calendar, instructional days, planning days, professional development days, conference days, holidays	occasional	Code yes if a calendar or breakdown is included.
workload_arrival_departure_004	workload	Does the document specify required arrival before school or departure after school?	yes/no	Extract minutes before/after, exceptions, and role differences.	before school, after school, report, remain on duty, arrival, departure	likely frequent	Keep separate from total workday hours.
workload_teaching_load_010	workload	Does the document define the normal teaching load for secondary teachers?	numeric or short text	Extract periods taught, periods free, course load, or student contact periods.	teaching load, teaching periods, class periods, secondary teachers, normal load	occasional	Code ND for elementary-only rules unless a general load is stated.
workload_course_preps_011	workload	Does the document limit the number of different course preparations?	numeric	Extract maximum preparations and exceptions.	preparations, preps, course preparations, teaching preparations	occasional	Code ND if only planning period is discussed.
workload_elementary_specials_012	workload	Does the document provide elementary planning coverage through specialists or class-free time?	yes/no	Extract minutes, frequency, and whether specialists provide coverage.	elementary planning, class-free planning, specialists, preparation time	occasional	Important where elementary and secondary prep are handled differently.
workload_parent_conferences_014	workload	Does the document require or schedule parent-teacher conferences?	yes/no	Extract timing, evening requirements, compensation or comp time, and frequency.	parent conference, parent-teacher conference, conference day, evening conference	likely frequent	Do not count general communication expectations unless conferences are specified.
workload_collaboration_time_015	workload	Does the document provide scheduled collaboration, PLC, team, or shared planning time?	yes/no	Extract frequency, duration, purpose, and whether during duty day.	collaboration, PLC, professional learning community, team time, common planning	likely frequent	Separate from individual preparation time.
workload_class_coverage_017	workload	Does the document state whether teachers may be required to cover classes or serve as substitutes?	yes/no	Extract voluntary/mandatory status, emergency-only language, and frequency limits.	cover classes, substitute, serve as substitutes, class coverage, emergency coverage	occasional	Compensation for coverage belongs under pay.
workload_remote_emergency_018	workload	Does the document address work schedules during emergency closures, remote learning, or alternative schedules?	yes/no	Extract expectations, schedule, compensation, and decision authority.	emergency school closure, remote learning, alternative schedule, virtual, inclement weather	rare	More common in recent MOUs and appendices.
workload_job_sharing_019	workload	Does the document allow job sharing or part-time teaching arrangements?	yes/no	Extract eligibility, application, benefits, seniority, and schedule rules.	job sharing, part-time position, shared position, reduced FTE	occasional	Code separately from ordinary part-time benefits.
workload_summer_evening_assignment_020	workload	Does the document state rules for selecting or assigning teachers to summer, evening, intercession, or extended-year programs?	yes/no	Extract selection criteria, seniority, posting, voluntary status, and term.	summer school, evening program, intercession, extended school year, selection	likely frequent	Pay for these assignments belongs under compensation.
class_waivers_005	class size	Does the document allow waivers or exceptions to class-size limits?	yes/no	Extract who approves, conditions, duration, and notice requirements.	waiver, exception, class size, variance, overload	occasional	Code ND if no class-size limits are present.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
class_special_ed_caseload_006	class size	Does the document include special education caseload limits or workload rules?	yes/no	Extract caseload numbers, student categories, IEP workload provisions, and remedies.	special education, caseload, ESE, IEP, resource teacher, related services	occasional	Separate from general class-size caps.
class_specialist_ratios_007	class size	Does the document specify ratios or caseloads for counselors, nurses, librarians, social workers, psychologists, or related-service staff?	yes/no	Extract role-specific ratios or caseloads.	counselor caseload, nurse ratio, librarian, psychologist, social worker, related services	occasional	Code only if the group is covered or relevant to teacher working conditions.
class_student_teacher_ratio_008	class size	Does the document state student-teacher ratios apart from class-size caps?	numeric	Extract ratio and covered grade or program.	student-teacher ratio, pupil-teacher ratio, PTR	rare	Do not convert class-size caps into ratios unless stated.
evaluation_conferences_005	evaluation	Are pre-observation or post-observation conferences required?	yes/no	Extract timing, participants, and whether written feedback is required.	pre-conference, post-conference, observation conference, feedback	likely frequent	Separate from general evaluation meetings.
evaluation_peer_assistance_009	evaluation	Does the document provide peer assistance, peer review, PAR, mentoring for struggling teachers, or intervention teams?	yes/no	Extract program name, eligibility, consulting teacher role, and consequences.	peer assistance, peer review, PAR, mentor, intervention, teacher development	occasional	New-teacher induction belongs under professional development unless tied to evaluation.
evaluation_appeal_010	evaluation	Does the document provide a rebuttal, appeal, or review process for evaluations?	yes/no	Extract steps, timelines, who hears appeal, and file placement.	evaluation appeal, rebuttal, response, review, grievance	occasional	If evaluations are excluded from grievance, note that.
evaluation_personnel_file_access_011	evaluation	Does the document give teachers access to their personnel file?	yes/no	Extract access procedures, notice, copy rights, and location of official file.	personnel file, teacher file, official file, inspect, copy	likely frequent	Code separately from evaluation appeal.
evaluation_negative_material_012	evaluation	Does the document allow teachers to respond to, remove, or challenge negative material in their personnel file?	yes/no	Extract response period, removal timeline, and exclusions.	derogatory material, negative material, personnel file, rebuttal, removal	occasional	Code ND if file access exists but no response/removal rule is stated.
security_probation_length_002	job security	What is the probationary or provisional period before tenure or continuing status?	numeric or short text	Extract years, contract cycles, observation requirements, or statutory reference.	probationary period, provisional period, tenure, continuing contract, permanent	likely frequent	Code ND if statuses are named but duration is absent.
security_tenure_rules_003	job security	Does the document describe tenure, continuing contract, or permanent status rights?	yes/no	Extract eligibility, rights, renewal, dismissal protections, and exceptions.	tenure, continuing contract, permanent teacher, career contract	likely frequent	Do not assume tenure rights from state law unless the PDF states them.
security_certification_005	job security	Does the document state teacher certification, licensure, endorsement, or renewal requirements?	yes/no	Extract requirements, deadlines, responsibility for renewal, and consequences.	certification, license, endorsement, credential, relicensure, renewal	likely frequent	Code support for relicensure under professional development if applicable.
security_vacancy_posting_007	transfers	Does the document require vacancies to be posted or announced?	yes/no	Extract posting duration, location, timing, required content, and exceptions.	vacancy, vacancies, posting, announcement, notice of vacancy	likely frequent	Include transfer-round posting rules.
security_excessing_010	transfers	Does the document describe excessing, unit adjustment transfer, displacement, or staff reductions short of layoff?	yes/no	Extract criteria, placement process, rights, and salary effects.	excessing, displaced, unit adjustment, surplus, closing school, reorganization	occasional	Distinguish from formal layoff/RIF.
security_promotion_011	transfers	Does the document describe promotion, teacher leadership, department chair, or advancement opportunities?	yes/no	Extract roles, posting, selection criteria, compensation reference, and term.	promotion, department chair, team leader, lead teacher, teacher leader, advancement	occasional	Pay for such roles belongs under compensation.
security_resignation_014	job security	Does the document state resignation notice requirements or penalties for late resignation?	yes/no	Extract deadline, notice period, liquidated damages, release conditions, and forms.	resignation, notice of separation, liquidated damages, release from contract	occasional	Common in handbooks and appendices.
security_background_check_015	job security	Does the document require background checks, fingerprinting, criminal history review, or arrest reporting?	yes/no	Extract requirements, timing, cost responsibility, and reporting deadline.	background check, fingerprinting, criminal history, arrest, conviction, SBEC	occasional	Separate from drug testing.
discipline_progressive_002	discipline	Does the document require progressive discipline or corrective action steps?	yes/no	Extract steps, exceptions, and examples.	progressive discipline, corrective action, reprimand, warning, suspension	occasional	Do not infer progression from a list of possible penalties.
discipline_representation_003	discipline	Does the document provide representation rights in disciplinary meetings or investigations?	yes/no	Extract who may represent the teacher, notice, and meeting types.	representation, union representative, investigatory meeting, disciplinary meeting, Weingarten	likely frequent	Code union-specific rights here when tied to discipline.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
discipline_suspension_004	discipline	Does the document state rules for suspension with or without pay?	yes/no	Extract paid status, notice, duration, investigation status, and appeal rights.	suspension, with pay, without pay, administrative leave	likely frequent	Separate from student suspension policies.
discipline_complaints_006	discipline	Does the document provide procedures for complaints or concerns against teachers?	yes/no	Extract notice to teacher, written complaint, investigation, response, and file rules.	complaints against teachers, concerns, accusations, parent complaint, student complaint	occasional	Distinguish grievances by teachers from complaints against teachers.
discipline_investigation_007	discipline	Does the document describe investigation procedures or administrative leave during investigations?	yes/no	Extract paid status, confidentiality, timeline, notice, and outcome documentation.	investigation, administrative leave, misconduct, criminal conduct, fact finding	occasional	Code ND if only discipline outcomes are listed.
grievance_procedure_001	grievance procedures	Does the document include an employee grievance or complaint procedure?	yes/no	Extract article or policy name, who may file, and scope.	grievance, complaint procedure, employee complaint, dispute resolution	likely frequent	Handbooks may use complaint rather than grievance.
grievance_steps_002	grievance procedures	How many formal grievance steps or levels are specified?	numeric	Count formal levels from initial filing through final decision or arbitration.	step one, level one, grievance procedure, appeal, superintendent, board	likely frequent	Do not count optional informal discussion unless labeled as a step.
grievance_timelines_003	grievance procedures	What key grievance timelines are stated?	short text	Extract filing deadline, response deadlines, appeal deadlines, and extensions.	days, working days, grievance timeline, file within, response	likely frequent	Preserve units such as calendar days, working days, or school days.
grievance_scope_004	grievance procedures	Does the document define what issues are grievable or excluded?	yes/no	Extract covered disputes, exclusions, and limits on remedies.	grievable, grievance means, scope, excluded, not subject to grievance	likely frequent	Important when evaluation or discipline is excluded.
grievance_arbitration_005	grievance procedures	Does the document provide arbitration after grievance steps?	yes/no	Extract when arbitration is available and who may invoke it.	arbitration, arbitrator, AAA, American Arbitration Association	likely frequent	Code mediation-only final steps as no arbitration.
grievance_arbitration_binding_006	grievance procedures	Is arbitration binding, advisory, or limited?	categorical	Extract binding status, scope of arbitrator authority, and cost sharing.	binding arbitration, advisory, arbitrator authority, costs, fees	occasional	Code DU if arbitration is named but binding status is not clear.
grievance_mediation_007	grievance procedures	Does the document provide mediation, informal resolution, conflict resolution, or labor-management review before arbitration?	yes/no	Extract process, timing, and voluntary/mandatory status.	mediation, conflict resolution, informal, meet and confer, collaborative resolution	occasional	Do not count ordinary first-step supervisor meetings unless labeled mediation.
conduct_academic_freedom_001	teacher rights and conduct	Does the document protect academic freedom or personal academic views?	yes/no	Extract scope, limits, and examples.	academic freedom, freedom, personal views, controversial issues	occasional	Distinguish academic freedom from curriculum autonomy.
conduct_curriculum_autonomy_002	teacher rights and conduct	Does the document address teacher discretion over curriculum, lesson content, methods, or instructional materials?	yes/no	Extract autonomy, required curriculum, approval, and limits.	curriculum, instructional autonomy, methods, lesson plans, materials selection	likely frequent	Code required curriculum here even when autonomy is limited.
conduct_lesson_plans_003	teacher rights and conduct	Does the document require lesson plans or specify lesson-plan submission rules?	yes/no	Extract frequency, format, review, emergency plans, and substitute plans.	lesson plans, planning, substitute folder, plan book	occasional	Separate from general planning time.
conduct_grading_004	teacher rights and conduct	Does the document address teacher authority or rules for grades, grade changes, or reporting student progress?	yes/no	Extract authority, required records, grade-change procedures, and reporting timelines.	grades, grading, grade change, reporting student progress, report cards	occasional	Code only teacher job rules, not student grading policy alone.
conduct_nondiscrimination_005	teacher rights and conduct	Does the document include nondiscrimination, fair practices, or equal employment provisions for employees?	yes/no	Extract protected categories, complaint route, and whether union membership is covered.	nondiscrimination, fair practices, equal employment, harassment, retaliation	likely frequent	Student nondiscrimination belongs under student policy unless employee obligations are stated.
conduct_dress_code_007	teacher rights and conduct	Does the document include a teacher dress code or professional appearance rule?	yes/no	Extract specific requirements, prohibited clothing, exceptions, and enforcement.	dress code, professional appearance, attire, grooming, uniforms	rare	More common in handbooks than CBAs.
conduct_searches_010	teacher rights and conduct	Does the document allow searches of employee property, work areas, lockers, or district devices?	yes/no	Extract scope, reasonable suspicion, notice, and drug/alcohol testing linkage.	search, employee property, lockers, work areas, district technology, reasonable cause	rare	Common in handbooks and policies.
conduct_confidentiality_011	teacher rights and conduct	Does the document state confidentiality obligations for student records or personnel information?	yes/no	Extract FERPA or local rules, prohibited disclosures, and consequences.	confidentiality, student records, FERPA, personnel information, privacy	occasional	Code only if employee obligations are stated.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
conduct_harassment_reporting_013	teacher rights and conduct	Does the document describe employee duties or complaint procedures for harassment, discrimination, bullying, or retaliation?	yes/no	Extract reporting route, investigation process, protected groups, and timelines.	harassment, discrimination, retaliation, bullying, Title IX, report	likely frequent	Code employee-facing obligations or protections, not just student policy.
conduct_electronic_student_contact_015	teacher rights and conduct	Does the document regulate electronic communications with students or parents?	yes/no	Extract allowed platforms, personal phone/email restrictions, recordkeeping, and exceptions.	electronic communications, text messaging, email, students, parents, personal phone	occasional	Keep separate from general acceptable-use policy.
conduct_cell_phone_017	teacher rights and conduct	Does the document regulate employee cell phones or personal devices during the workday?	yes/no	Extract visibility, use restrictions, exceptions, and device requirements.	cell phone, personal device, mobile phone, telephone, texting	rare	More common in handbooks.
conduct_political_activity_018	teacher rights and conduct	Does the document restrict or protect political activity by teachers?	yes/no	Extract permitted activity, restrictions during duty time, leave, and facilities use.	political activity, campaign, public office, personal affairs, non-duty hours	occasional	Code public-office leave separately if present.
conduct_non_duty_hours_019	teacher rights and conduct	Does the document protect teachers' personal affairs or conduct during non-duty hours?	yes/no	Extract protection, limits, and exceptions.	personal affairs, non-duty hours, private life, off duty	occasional	Do not infer from general constitutional language.
conduct_arrest_reporting_020	teacher rights and conduct	Does the document require teachers to report arrests, criminal charges, convictions, or certification actions?	yes/no	Extract events, reporting deadline, office, and consequences.	arrest, conviction, criminal charge, certification action, required notification	occasional	Related background checks are coded under job security.
safety_property_damage_003	safety and working conditions	Does the document reimburse or protect teachers for personal property damage, theft, or loss at work?	yes/no	Extract covered property, cause, caps, exclusions, and claim process.	property damage, loss of property, stolen, vandalized, reimbursement, personal property	occasional	Commonly linked to assault or vandalism.
safety_injury_reporting_004	safety and working conditions	Does the document specify how teachers report workplace injuries or unsafe conditions?	yes/no	Extract reporting deadline, forms, office, and supervisor notification.	injury report, workplace injury, unsafe conditions, risk management, accident report	occasional	Workers' compensation availability is coded under benefits.
safety_restraint_seclusion_007	safety and working conditions	Does the document address physical restraint, seclusion, time-out, or crisis intervention procedures?	yes/no	Extract authorized staff, training, documentation, parent notice, and prohibited practices.	restraint, seclusion, time-out, crisis intervention, behavior support	occasional	Code only teacher-facing procedure or training obligations.
safety_emergency_closure_008	safety and working conditions	Does the document address emergency, lockdown, inclement weather, or school closure procedures for staff?	yes/no	Extract reporting expectations, pay, remote work, notification system, and safety duties.	emergency, lockdown, shelter, inclement weather, school closure, safety drill	occasional	Remote teaching schedules also coded under workload if applicable.
safety_environment_009	safety and working conditions	Does the document address physical working conditions such as temperature, ventilation, air quality, cleanliness, acoustics, or construction disruption?	yes/no	Extract standards, complaint process, and remediation responsibility.	physical environment, ventilation, temperature, air quality, cleanliness, acoustics, construction	occasional	Code only if teacher workplace conditions are discussed.
safety_security_measures_010	safety and working conditions	Does the document mention security staff, building access, visitor controls, cameras, or personal security measures?	yes/no	Extract measures, reporting channels, and teacher obligations.	security, building access, visitor, ID badge, cameras, personal security	occasional	General district security directory alone is not enough.
safety_weapons_011	safety and working conditions	Does the document state employee obligations or restrictions related to weapons on school property?	yes/no	Extract prohibition, reporting duty, exceptions, and parking-lot rules.	weapons, firearms, guns, prohibited weapons, school premises	occasional	Code employee-facing rules, not just student discipline rules.
resources_supplies_001	amenities and resources	Does the document state that teachers will receive instructional materials, supplies, textbooks, or equipment?	yes/no	Extract types of materials, adequacy standard, request process, and responsibility.	supplies, equipment, textbooks, instructional materials, adequate materials	likely frequent	Do not infer from budget language alone.
resources_supply_allowance_002	amenities and resources	Does the document provide a classroom supply allowance, reimbursement, or professional account?	dollar amount or short text	Extract amount, eligible purchases, approval, and reimbursement process.	supply allowance, reimbursement, professional account, classroom materials, teacher funds	occasional	Keep separate from general availability of supplies.
resources_technology_device_003	amenities and resources	Does the document state that teachers receive computers, laptops, email, software, or equivalent technology access?	yes/no	Extract device/access type, replacement, care responsibility, and eligibility.	computer, laptop, technology access, email, software, device	occasional	Acceptable-use rules are coded under conduct.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
resources_phone_voicemail_004	amenities and resources	Does the document provide teacher telephones, voicemail, or communication tools?	yes/no	Extract classroom phone, shared phone, voicemail, outside line, and parent communication tools.	telephone, voicemail, phone, communication, outside line	occasional	Do not count district contact lists.
resources_workspace_005	amenities and resources	Does the document provide desks, storage, offices, secure space, or work areas for teachers?	yes/no	Extract workspace type, secure storage, specialist spaces, and adequacy language.	desk, storage, work area, office space, secure space, teacher facilities	occasional	Separate from teacher lounge/workroom.
resources_lounge_workroom_006	amenities and resources	Does the document provide teacher lounges or workrooms?	yes/no	Extract whether separate lounge/workroom, furniture, equipment, and new construction requirements.	teacher lounge, faculty lounge, workroom, teachers' lounge	occasional	Code ND if only lunch facilities are discussed without teacher lounge/workroom.
resources_restrooms_007	amenities and resources	Does the document provide separate or adequate teacher restrooms?	yes/no	Extract adequacy standard, location, and new/existing facility rules.	teacher restroom, faculty restroom, restrooms, facilities	rare	Often appears under teacher facilities.
resources_parking_008	amenities and resources	Does the document provide teacher parking or parking reimbursement?	yes/no	Extract reserved spaces, no-charge parking, reimbursement, controlled access, and assignment rights.	parking, teacher parking, reserved parking, parking fees, reimbursement	occasional	Dollar amounts or mileage reimbursements can also be captured under compensation.
resources_parking_cost_009	amenities and resources	What cost, subsidy, or reimbursement for parking is stated?	dollar amount or short text	Extract fee waived, amount reimbursed, or employee cost.	parking fee, no charge, waived, reimbursement, reserved parking	occasional	Code ND if parking is available but cost is not stated.
resources_clerical_support_010	amenities and resources	Does the document mention clerical, aide, paraprofessional, or administrative support for teachers?	yes/no	Extract support type, allocation, limits on clerical duties, and request process.	clerical support, aide, paraprofessional, assistant, non-teaching duties	occasional	Do not count student aides unless teacher support is stated.
resources_copy_print_011	amenities and resources	Does the document address copier, printing, duplicating, or instructional preparation equipment?	yes/no	Extract equipment, access, limits, and supply responsibility.	copier, duplicating, printing, preparation equipment, workroom equipment	rare	Code separately from general supplies if specific.
resources_field_trip_012	amenities and resources	Does the document assign teacher responsibilities or reimbursements for field trips, sponsored tours, or extracurricular travel?	yes/no	Extract approval, supervision, compensation/reimbursement, liability, and restrictions.	field trip, sponsored tour, student travel, extracurricular travel	occasional	More common in handbooks; pay goes under compensation if stated.
pd_required_days_001	professional development	Does the document require professional development, in-service, staff development, or training days?	yes/no	Extract number of days/hours, timing, and whether within work year.	professional development, staff development, in-service, training days, PD days	likely frequent	Do not count optional PD funds unless required activity is stated.
pd_scheduling_pay_002	professional development	Does the document state whether professional development occurs during duty time or is compensated outside duty time?	yes/no	Extract duty-day status, stipend, hourly rate, comp time, and limits.	staff development, outside the duty day, stipend, paid training, professional development day	occasional	Compensation amount should also be captured under pay if stated.
pd_tuition_reimbursement_003	professional development	Does the document provide tuition reimbursement or course reimbursement?	yes/no	Extract eligibility, amount, cap, approved courses, and repayment rules.	tuition reimbursement, course reimbursement, tuition, college credit	occasional	Code ND if tuition is mentioned only as a salary-lane requirement.
pd_tuition_amount_004	professional development	What tuition reimbursement amount or cap is stated?	dollar amount or percentage	Extract per-credit, per-course, annual maximum, or percentage reimbursed.	tuition reimbursement, maximum, per credit, reimbursement rate	occasional	Code only when a specific amount or formula is stated.
pd_relicensure_support_005	professional development	Does the document support certification, relicensure, endorsements, or continuing education credits?	yes/no	Extract credits, release time, reimbursement, committees, or professional learning credit.	relicensure, certification renewal, endorsement, continuing education, professional learning credit	occasional	Distinguish support from mandatory licensure requirements.
pd_new_teacher_mentoring_006	professional development	Does the document provide mentoring, induction, orientation, or support for new teachers?	yes/no	Extract mentor assignment, duration, release time, stipend, and required meetings.	mentor, induction, new teacher, orientation, peer assistance, beginning teacher	likely frequent	If tied to evaluation, also code peer assistance under evaluation.
pd_teacher_leadership_007	professional development	Does the document create teacher leadership roles, instructional coaches, councils, or committees tied to professional practice?	yes/no	Extract role names, selection, duties, time, and compensation reference.	instructional coach, teacher leader, council, committee, leadership, career pathway	occasional	Compensation for roles belongs under pay.
pd_career_ladder_008	professional development	Does the document include a career ladder, teacher advancement pathway, or differentiated career roles?	yes/no	Extract levels, eligibility, compensation, duties, and evaluation link.	career ladder, advancement, teacher advancement, pathway, lead teacher	rare	Do not count ordinary lane advancement.

Question ID	Topic category	Question	Answer type	What to extract if discussed	Suggested keywords or sections to search	Expected frequency across documents	Notes for consistent coding
pd_national_board_support_009	professional development	Does the document support National Board certification through leave, fee reimbursement, lane credit, or support programs?	yes/no	Extract support type, amount, deadline, and eligibility.	National Board, NBCT, NBPTS, fee reimbursement, certification leave	occasional	Salary stipend is also coded under compensation.
pd_professional_growth_plan_010	professional development	Does the document require professional growth, development, or learning plans?	yes/no	Extract plan name, required participants, timeline, and relation to evaluation.	professional growth plan, PDP, development plan, learning plan, goals	occasional	Code low-performance improvement plans under evaluation.
union_recognition_001	union rights	Does the document recognize a union, association, federation, or exclusive representative?	yes/no	Extract representative name, bargaining unit, and recognition scope.	recognition, association, union, federation, exclusive representative	likely frequent	Handbooks may be ND if not collectively bargained.
union_dues_deduction_002	union rights	Does the document allow payroll deduction of union dues, agency fees, or representation fees?	yes/no	Extract authorization process, revocation, timing, and fee type.	dues deduction, payroll deduction, agency fee, representation fee, checkoff	likely frequent	Code only if employee organization deductions are discussed.
union_release_time_003	union rights	Does the document provide release time for union officers, representatives, negotiations, grievances, or association business?	yes/no	Extract paid/unpaid status, number of days, substitute costs, covered roles, and approval rules.	release time, association leave, union leave, negotiations, president, representative	likely frequent	Keep professional conference leave separate.
union_president_leave_004	union rights	Does the document provide special full-time or part-time leave for the union president or officers?	yes/no	Extract FTE, salary/benefits payment, reimbursement by union, and duration.	association president, union president, full salary, release, leave with pay	occasional	Code only officer-specific provisions here.
union_access_005	union rights	Does the document allow union representatives access to schools or employees?	yes/no	Extract building access, notice, time/place limits, and meeting rules.	access, visit schools, association representative, union representative, building visits	likely frequent	Do not count public attendance at board meetings.
union_bulletin_mail_006	union rights	Does the document allow union use of bulletin boards, mailboxes, email, meeting rooms, or district communication systems?	yes/no	Extract allowed channels, restrictions, labels, and approval.	bulletin board, mailbox, email, meeting room, communication, distribution	likely frequent	Note if district equipment may not be used.
union_labor_management_007	union rights	Does the document establish labor-management, consultation, collaboration, site, or joint committees?	yes/no	Extract committee name, membership, meeting frequency, scope, and release time.	labor management, collaboration, consultation, joint committee, site committee, advisory committee	likely frequent	Include district-level and school-level committees.
union_site_decision_008	union rights	Does the document provide school-site shared decision-making, instructional councils, faculty advisory committees, or school leadership teams?	yes/no	Extract role, membership, decision scope, and voting or waiver rules.	shared decision-making, site leadership, faculty advisory, instructional council, school committee	occasional	Code committees focused only on union contract administration under labor-management.
union_no_strike_009	union rights	Does the document contain a no-strike, no-work-stoppage, or continuity-of-operations clause?	yes/no	Extract prohibited actions and duration.	no strike, work stoppage, continuity of operations, slowdown, lockout	occasional	Code only explicit labor-action language.
union_management_rights_010	union rights	Does the document include a management rights or board authority clause?	yes/no	Extract reserved rights and any limits.	management rights, board rights, school board authority, retained rights	likely frequent	Useful for interpreting silence or discretion elsewhere.
union_contract_waiver_011	union rights	Does the document provide a process for waiving, modifying, or site-adapting contract provisions?	yes/no	Extract who approves, voting threshold, duration, and scope.	waiver, contract waiver, site-based, modify agreement, memorandum of understanding	occasional	Code ND if document only has general amendments language.
