20.1.7 Peer Assistance and Review Implementation

The Peer Assistance and Review Program, as a replacement for the Mentor Teacher Program and as found in the negotiated agreement between the District and the Association, is intended to provide peer assistance to tenured participating teachers who are referred for unsatisfactory performance or who have volunteered. The Consulting teacher's role shall not replace or in any way erode the responsibility of the principal or assistant principal as evaluators as described in the Stull Act. The statute does not permit the Consulting Teacher or the PAR Panel to evaluate the Participating Teacher. Under the statute the District maintains the responsibility to evaluate teachers. This remains the role of the principal/assistant principal as evaluators.
