

Board Member Training, Development and Self Evaluation

General - Birmingham Board of Education members shall pursue ongoing training to develop and enhance their knowledge and effectiveness as Board members and to improve Board governance and operations. Training will include participation in:

- a. Orientation for newly elected or appointed school board members;
- b. Training or consulting workshops for the local Board as a whole;
- c. State or national school board association events addressing Board governance or operation, or other Board member development opportunities relating to leadership development, Board governance, or Board operations.

Source of Training and Report - The requirements of this policy will be satisfied by participation in training provided by the Alabama Association of School Boards or other sources considered knowledgeable in school board governance and leadership and approved by the Board. Board members will provide a report to the Board about training experiences at the next available Board meeting.

Board Self Evaluation - The Board believes that evaluation of its effectiveness will improve the Board's performance, exemplify the kind of constructive assessments the Board encourages for all school personnel and programs, and promote a spirit of teamwork throughout the school system. The Board will assess its own performance annually according to goals established by the Board. This information will be used by the Board each year in establishing the goals and objectives it will strive to accomplish during the subsequent year.
